DISCOVER WHAT'S NEW

Innovations Unveiled

At New Benefits, we've been hard at work building and curating new products to add to your benefits offering. Today, we're excited to introduce you to three of the newest products in our growing portfolio.

ManifestRx
A REVIVE HEALTH COMPANY

ManifestRx

More than one-third of Americans (37%) say they have not filled a prescription for medication because of its cost. With ManifestRx, members can access over 1,000 maintenance medications through home delivery and 70+ urgent care medications at local pharmacies **for \$0**. ManifestRx removes the guesswork out of medication costs by ensuring members pay the **lowest price possible: \$0**.

galileo

Galileo

Whether members need care after hours, can't visit their doctor, or want to avoid the waiting room, Galileo is here to help. Members can connect with real doctors and mental health experts via video, phone, or chat through the Galileo mobile app. From everyday concerns like acne and colds to ongoing conditions like anxiety and diabetes, Galileo provides members with the **care they need**. Members benefit from **24/7 virtual care at no cost**, giving them, their spouses, and eligible dependents convenient access to physical and mental health support whenever it's needed.

kindbody

Kindbody

Kindbody provides accessible, affordable, personalized, and inclusive support and coaching, as well as navigation across the **full spectrum** of fertility needs—from family building to menopause—all through a streamlined platform. A dedicated Care Navigation Team guides members through every step of their journey, ensuring seamless coordination of benefits for them and their family members.
